Hoselink 2-in-1 Hedge Shears

Easy to clean, Teflon-coated steel blades extend to four different settings, offering a maximum extra 20cm reach, and an anvil lopper fitting at the blade's base can cut through older wood up to 2cm thick.

1. Skinny Flex pants by Green Hip are a new addition to its range of women's workwear. Made from cotton fabric with spandex, the pants are durable and keep their shape. They have a secateurs pocket with nylon backing, tough kneepads and an elastic waistband. greenhip.com.au
2. Make light work of tidying up leaves in the garden with Hoselink's Extendable Rake and Sweep-in Leaf Collector. Designed with ease of storage in mind, the rake collapses to 83cm long, and the leaf collector folds flat. Once leaves are collected, empty directly into compost. hoselink.com.au
3. Australian-made Arm Guards by Morris Outside, with easy velcro fastenings, protect your skin from scratches, thorns, rashes, bites or stings while working outside. Can be custom made in kangaroo or buffalo leather, Teflon and Durapel, and in a range of colours. morrisoutside.com.au

I placed firmly on the ground. Many types low to the ground, as well as reaching in without scratching your arms. Here's a s

Hoselink Pole Pruner

Includes a lopper and optional saw blade for thicker branches. Telescopic pole adjusts for maximum reach and easy storage. Recommended for users with above-average strength, due to weight.
