KEEP YOUR GARDEN WELL HYDRATED THROUGHOUT SUMMER

COMPILED BY KYLIE MCGREGOR

## Retractable watering

A reliable and durable hose is a must in any garden. Hoselink's Retractable Hose Reel is a wall-mounted unit that has a specially designed 'stop-anywhere' locking mechanism to secure the hose at any length. The standard reels start from \$169 (for 15m hose). Fittings start from \$5.90 each or can be bought in a starter pack priced from \$19.50. Available from [hoselink.com.au](http://hoselink.com.au) or call 1300 900 617.
